Sheriff Candidate Brian Shank:

Abused His Power, Assaulted Women, Put Erie County Families at Risk

Brian Shank has a disgusting history of misconduct as a law enforcement officer and has put our safety at risk:

- Shank committed sexual assault while on the job, sexually assaulted the women he was hired to protect, and investigators even determined that he had unprofessional relationships.
- Shank admitted to sexually assaulting the women he was hired to protect.
- Shank broke the law in Erie County, illegally carrying a weapon, putting our families and communities at risk. He even opposed common-sense gun safety laws like background checks on all gun sales.
