VIRGINIA REPUBLICAN POLITICIANS LIKE

# TIM ANDERSON

Are Putting the Gun Lobby  
Ahead of Our Safety

Virginia Republican politicians like **Tim Anderson** are doing the bidding of the gun lobby—making it easier for violent criminals and domestic abusers to get their hands on guns.

## TIM ANDERSON:

- » Opposed background checks on all gun sales.
- » Supported policies that allow violent criminals to get their hands on guns—guns that could be used to kill police officers and harm our families.
- » Opposed laws that keep guns out of the hands of domestic abusers.

MAKE OUR COMMUNITIES SAFER.
