- Do not create any graphics.
- Personalize your tweets by adding details about yourself to the sample and include a photo of you in action! Your social media is most powerful when it reflects your own, *unique* voice.
- Tag @MomsDemand in all of your tweets, @StudentsDemand (if appropriate) and @*Everytown when possible* (you can always tag @Everytown in your photo instead to save characters)
- Use #MomsAreEverywhere and your state hashtag in all your tweets!
- Mention your CITY & STATE in all of your tweets -- this helps to show the geographic diversity of the movement!
